On the night of October 22, 2014, Plaintiff Patricia Atkins-Payne Saw Six New York City Police officers entering her residence, 861 E 46 Street, Private House, Brooklyn, New York 11203 through her basement entrance.

Ms. Payne is Sole Owner of the residence.

The six New York City Police officers did not present or offer any Search or arrest Warrant.

The Police officers questioned Mr. David Payne and Ms. Payne's Son, Plaintiff Elliot Payne, who lives in the Basement of the residence, including asking him whether he had a Knife.

Elliot told the officers that he did not have a Knife.

The Police officers searched the entire basement including Elliot's bedroom, Kitchen and utility room. They opened the dryer door, open Elliot's bedroom dresser and searched the drawers, and open Elliot's closet and searched inside the closet.

The Police officers questioned Plaintiff Elliot's father - David Payne, asking him if Elliot had a Knife.

David Payne, Plaintiff told the Police officers that Elliot did not have a Knife.

The Police officers questioned Elliot's mother Ms. Payne Plaintiff, if she saw Elliot with a Knife. She ^{told} ~~said~~ the police officers that Elliot did not have a Knife.

The Police officers searched for approximately twenty minutes and did not find a knife.

Ms. Payne asked the Police officers what they would do since they did not find any knife, and the police officers informed Ms. Payne that they would call their Lieutenant.

Some of the police officers left the basement to call their Lieutenant.

Another police officer entered the basement approximately one half hour later and identified himself as Lieutenant - Edwards. He also did not have a Warrant.

Lieutenant Edwards then searched the basement himself specifically, he went inside Elliot's bedroom, pulled the closet door open, and searched through Elliot's clothing. He open up the dresser drawers and rifled through the drawers.

Lieutenant Edwards also did not find any knife.

Ms. Payne then asked the Police officers what they would do, now no knife was found. She explained that the Police officers were causing a tremendous amount of stress to Elliot's father, David Payne who witness the searches and had suffered a Traumatic Brain injury in the past, from his last place of Employment that also caused his permanent Disability at the age of 33 years in May 8, 1987, Mr. Payne have not work since.

Lieutenant Edwards looked at Elliot's father with Total Disrespect, as he stated that he was going to arrest Elliot and "Let the Judge decide what to do with [Elliot]"

Parents of Elliot Payne - David & Patricia Payne Plaintiffs, begged Lieutenant Edwards Not to arrest their Son.

Lientenant Edwards then told the two Police Officers to arrest Elliot.

The two Police officers put Elliot in handcuffs and took him to the 67th Police Precinct. The other four Police officers left ~~with~~ ^{about the time} the officers that arrested Elliot.

Then after Lientenant Edwards being more disrespectful to plaintiffs that he ^{have} never met before, Decided to torture Plaintiffs some more, Saw Mr. Payne standing by The botton of the stairs in the Basement holding on the rails for dear life, Squeezed past him without asking for an excuse. She asked him Not to walked through her house, He asked if he can't walked through her house?, She said No and advised him to go back through the Basement door where he came from.

Lientenant Edwards ignored Ms. Payne and went upstairs to her 1st floor, through her kitchen door. He was smiling while taking his time looking into every Room to see how her house was Situated.

AS Lientenant Edwards was leaving going back through Ms. Payne's kitchen He said to her Raymond Kelley resigned in 2014 He is no long The Police Commissioner and he would ^{basement} arrest my kids but not ANTHONY DAVID as he went through the ↑ door.
